

CORONAVIRUS UPDATE IN COLOMBIA

Dear Valued Partners

This is to inform that the government of Colombia extended the quarantine until May 31st.

We are working remotely (home offices), and our staff remain in contact with clients and agents. Although, customs are operating (special working hours) it is not possible to deliver or pack as there are transit restrictions, and our crew must obey to the quarantine order! The airports, for now, will be closed until May 30th.
